

How many tape runs do I use?

This information will assist you to make the right decision on the number of fence runs to use based on your individual requirements and what the best spacing is to use between those runs.

To create that permanent visual and mental barrier for your horses, use these quick and easy guidelines from StockGuard Electric Fencing to help provide the right fence for your horses and property.

Number of Tape Runs	Suggested Use
Four tapes	<ul style="list-style-type: none"> ✓ Boundary fences ✓ Contain small ponies (escape artists) ✓ Stallion paddocks
Three tapes	<ul style="list-style-type: none"> ✓ Mares and foals ✓ Internal fences ✓ Great visual along a driveway
Two tapes	<ul style="list-style-type: none"> ✓ Internal fences ✓ Horses over two years of age and above 14 hands

What is the best spacing between your runs?

With your post set approximately 400mm in the ground, use these examples as a guideline for spacing between the tape runs.
